

Christian Life Preparatory School

Academic Success Center

Purpose

The CLPS Academic Success Center (ASC) partners with parents to provide services to help all students succeed in our rigorous academic program.

Objectives

1. Parent Coaching & Care

The ASC provides parent care for academic and relational issues which impact the whole child's well-being.

2. Teacher Development

The ASC provides ongoing teacher training in areas related to students who are struggling academically and/or in other areas including diagnosed learning differences, behavioral issues, and executive functioning skills. (Some examples include dyslexia, dysgraphia, dyscalculia, processing disorders, ADD/ADHD, autism, etc).

3. Student Support

The ASC provides student support using the Response to Intervention (RTI) model. Support may include classroom accommodations for students, small group interventions and individual tutoring and/or therapy for students who meet the criteria for these services.

Student Support Defined

Tier 1: Classroom Instruction & Support

Tier 2: Small Group Supplemental Instruction & Intervention

Tier 3: Individualized Instruction & Intervention

Student Support at CLPS
