

# CLPS School Uniform and Dress Code

*Updated 2025*

Wearing a uniform to school helps the students stay engaged, minimize distraction, maintain cohesion, and present a modest, unified look and feel to the school day. The CLPS uniform is easy to obtain and maintain. CLPS adopted the official uniform in 2002.

As image bearers of God we hope that all students maintain a healthy self-image. We work to help keep our day focused on learning and enjoying the privilege of being together. We are not emulating the fashions of the day, whether it's ripped clothing or any particular image or fit. Clothes should fit appropriately, not be too big or too small.

Parents may purchase uniform items from any vendor but should ensure that the item matches the uniform guidelines. If there are any questions about an item, please contact the Dean of Students. The school utilizes *Land's End* as a vendor for the convenience of our families. Please compare items that are available to the uniform requirements for the school. The school will make every effort to keep the *Land's End* site up to date.

## **A helpful note on sizing:**

Parents should measure their students to see if the item fits. On the *Land's End* website they can click on "size chart" and then choose "item dimensions" to find garment length. Parents need to measure the front of their child from waist to knee and the back from waist to knee to know if the item is long enough.

The skirts labeled "at the knee" are 21" long and the below the knee are 24.5" long and can be tailored to the right length. The "below the knee" skirt is recommended for taller girls or with certain body types that can cause a discrepancy between the front length and back length. Boys should pay special attention to inseam lengths to ensure shorts reach an appropriate length and are not too short.

As a community, we work together to adhere to our uniform guidelines and appropriateness. As a school, we partner with parents to come alongside their students during the school day to ensure things are running as smoothly as possible. To that end, a teacher may remind a student of the guidelines. The Dean of Students may verbally address a student about their violation of the uniform policy including "Out of Uniform" day requirements uniform or out of uniform dress. A note will be sent home to parents, if students do not correct the issue within reason. A, a chart is provided below to show the flow of communication.

Students should follow "Out of Uniform" guidelines at all school-sponsored events.

Special school-sponsored events may have exceptions or extensions of the dress code that will be determined by the official CLPS employee in charge of the event. These may include more formal award

ceremonies, society inductions, or school performances. We aim to partner with parents and students, but will make a final determination about the compliance or lack of compliance with the school dress code. If any conversations are needed to help resolve these issues, the Dean of Students will take the time needed to resolve the issues.

### **Disciplinary Procedures**

Event	Action
1st & 2nd Occurrence	The teacher informs the Dean of Students; the Dean of Students addresses the student and sends an email home to parents.
Further Occurrences	The Dean of Students will talk with the student and parents to help determine compliance and help resolve the issue. Suspension without aAcademic penalty may occur to give time to resolve the issue.
