

Generosity: Week 1

Memory Verse: 2 Corinthians 9:7b “God loves a cheerful giver.”

The Bible passage that this verse comes from is about being generous to others. Later in the same chapter, the Bible tells us that the people were freely giving gifts to the poor. How can you plan to freely give to others even more during the Christmas season?

We know that God gave us the best gift ever when He gave us Jesus. God chose to give us a way to be with Him forever and God gave us a way to become adopted into His own family. The Lord also provides all that you need: our food, our clothes, our home, our families. The Bible actually tells us that God wants to give us more than we could ever think or ask. (Ephesians 3:20) Take time to tell God thank you for being generous to you.

Draw a picture of a gift you can make or ask a parent to help you buy that you can give generously to someone else. Write that person's name on the gift tag.

Proverbs 11:24-25 “One person gives freely, and still grows richer; another person withholds what he should give (or keeps all of his belongings to himself), and only suffers want (This person only wants things all the time and that is like suffering.) Whoever brings blessings will be enriched, and one who waters will himself be watered.”

Generosity: Week 2

Memory Verse: 2 Corinthians 9:7b "God loves a cheerful giver."

The definition of generosity is being willing to give more than is usual. Someone who is generous is often called open handed or big hearted. An ordinary person might give a hungry person a piece of bread. A generous person would take all of the food from their own lunch and give it to the hungry person.

Mark each box to show if the person is acting kind or very generous.

And He said, 'Truly, I tell you, this poor widow has put in more than all of them. For they all contributed out of their abundance, but she out of her poverty put in all she had to live on.'"
